

U5 – U8 Boys (Skills Acquisition Program)

U5 – U7 Miniros (Skills Acquisition Program - SAP)

- Small sided soccer with an emphasis on fun and fitness whilst learning the rules of the game.
- Miniros is a training program where the emphasis is on learning grassroots soccer skills in a fun and supportive learning environment and then introducing competition soccer through round robin gala events.
- Games are played with 4 or 5 a side with no goalkeepers.
- Train once per week (Saturday morning). No preseason training.
- All players provided with a BEFC Uniform of Playing Top, Shorts & Socks. Parents need to provide soccer boots, shin guards & mouthguard (if using one).

U8 Boys Miniros (SAP or Competition)

- Players can either participate in SAP Only or may choose to play **optional competition matches** against other clubs in an organised league. Parents decide this at time of registration.
- SAP Players will train once per week on a Saturday morning and will follow the same program as our U5 – U7 Miniros players.
- Competition Players will have team training once per week plus a home and away competition game on a Saturday morning. Competition games at Miniros level have no scores or ladders.
- All U8 Players have an additional one night technical training per week with Qualified Specialist Coaches.

Parental Involvement

All U5 – U8 Miniros teams have a Volunteer Parent Coach who will be offered a full refund of registration fees. If no volunteers, we will seek a non-parental coach to step in, however a coaching levy may apply to fund the coaching costs.

U8 Competition Teams will need a parent volunteer Team Manager. See [Team Manager Role](#) for further information.

As a Community Club we heavily rely on Volunteers at the Club. Please see our [Volunteers](#) page for further information.
