

Senior Women

Senior Women (Home & Away Competition)

BEFC's first women's team was formed in 2011. There were two teams, State 3 NW and Metro. State 3 NW went through undefeated and was promoted to State 2 NW. In this year the club had seven Year 12 players and this is when our year 12 policy was developed.

In addition, in 2011 we developed a model to allow our senior players to also coach the younger members of the club which is a model that continues today.

BEFC finished 2nd in this season. However since two teams in State 1 dropped out before the start of the 2013 season, BEFC took up the offer to be promoted to State 1. Incredibly we won State 1 by beating Monbulk in the very last game of 2014 which saw BEFC in the Women's Premier League. BEFC had progressed in through the leagues in only three seasons. In that year we finished third which was the best result for a newly promoted team in about a decade.

In 2015 we won the Team App Cup. We won the league and lost in the grand final in a penalty shootout.

In 2016 and 2017 BEFC Firsts and Reserves teams both won State 1 SE. A number of Reserves players were promoted to Firsts team with a focus towards building confidence in our U16 – U18 players to develop their skills. Many of these also played Senior Matches last season.

In **2018, our BEFC Firsts won the League and the Championship.** Our Reserves came runners up in their League.

WE NEED MORE PLAYERS AND PLAYERS WHO CAN COACH TOO!
