Team Placement

Returning players are initially placed in the same teams as the year prior. You would expect movement of players between teams to accommodate new players and for player skill development. Final team placement will be confirmed prior to the end of pre-season in March.

KANGAS SELECTION

Kangas teams are comprised of players with the highest skill level in their age group.

Selection for entry into a Kangas team is by a rolling and objective assessment of skill level during pre-season, conducted by the Head Coach and specialist grading coaches. The decision for entry into Kangas teams will rest with the Director of Football.

Previous placement in a Kangas team does not guarantee a spot in a Kangas team for the following season.

Parental Involvement

All U8 – U11 Miniroo teams have a Volunteer Parent Coach who will be offered a full refund of registration fees. If no volunteers, we will seek a non-parental coach to step in, however a coaching levy will apply to fund the coaching costs. Competition Teams will need a parent volunteer Team Manager. Contact the **Operations Manager** for further information. All U8-U9 Teams also require a Parent Referee for Home Games. As a Community Club we heavily rely on Volunteers at the Club. There are many ways in which you can contribute so please let us know if you have any special skills or interests that can help enrich our club.
