

# U8 - U11 MiniRoos (Girls & Boys)

## U8 - U11 MiniRoos (Home & Away Competition)

- The objective of our program is to provide girls and boys with a quality football experience that is fun and inclusive in a supportive environment.
- Team spirit and good sportsmanship are always emphasised.
- Games are played with 7 a side (U8 - U9) and 9 a side (U10 - U11)
- Club referees are provided for home matches.
- Competition players will have team training once per week plus a home and away competition game on a Saturday morning (Boys) or Sunday morning (Girls).
- Competition games at MiniRoos level have no scores or ladders.
- All U8 - U11 Players have an additional optional night technical training per week with qualified specialist coaches (dates to be advised).
- All players provided with a BEFC playing kit of shirt, shorts and socks. Parents need to provide boots, shin guards and mouthguard if using one.

## Team Placement

Returning players are initially placed in the same teams as the year prior. You would expect movement of players between teams to accommodate new players and for player skill development. Final team placement will be confirmed prior to the end of pre-season in March.

## KANGAS SELECTION

Kangas teams are comprised of players with the highest skill level in their age group.

Selection for entry into a Kangas team is by a rolling and objective assessment of skill level during preseason, conducted by the head coach and specialist grading coaches. The decision for entry into Kangas teams will rest with the Director of Football.

Previous placement in a Kangas team does not guarantee a spot in a Kangas team for the following season.

## Parental Involvement

All U8 - U11 MiniRoos teams have a volunteer parent coach who will be offered a full refund of registration fees. If no volunteers, we will seek a non-parent coach to step in, however a coaching levy will apply to fund the coaching costs\*. Competition teams will need a parent volunteer team manager, please contact the Operations Manager for further information.

As a community club we rely heavily on volunteers at the club. There are many ways in which you can contribute so please let us know if you have any special skills or interests that can help enrich our club.
